### **Presenters for 2005**

We need presenters for 2005. If you are able to present some of your slides or prints, please let one of the committee members know so that we can slot you in to a suitable month.

Using a data projector may be a possibility for print workers, so let us know if you would like to utilize this method.

### **Wedding Bells.**

### **VAPS Convention.**

The VAPS Convention on the Queen's birthday holiday weekend is to be in Albury-Wodonga this year. As the nearest member club, we will be heavily involved in helping with the running of the convention. We may be able to obtain help from nearby clubs also, but the committee will be asking for help from WACC members as the event nears. Please offer assistance if possible.

Bert Hoveling from the VAPS will be attending the February GM to explain what is to happen and what our club role will be.
