### **David Tilley 21/01/1958 – 19/02/2005**

David suffered a second heart attack on the 19<sup>th</sup> February and could not be revived.

Having seen David a couple of times after his first heart attack, it is hard to believe that he will not be with us again. He looked so well.

All members were spoilt by David's great work for our club. He went way above and beyond what was asked of him as competition secretary and was always trying to add to the way competitions were structured to give every member a fairer chance at winning.

Jean and Charles, there is nothing really that can be said to ease the pain, but we all hurt with you and will miss David very much.
