Presenters for 2005

We need presenters for 2005. If you are able to present some of your slides or prints, please let one of the committee members know so that we can slot you in to a suitable month.

Purchase of a data projector has been approved by members. We currently have an application for a Volunteer Small Equipment Grant pending for this piece of equipment as well as a notebook computer, so purchase will be delayed until the result of this is known.
