Annual General Meeting

March – Jenni Horsnell (Possibly macro photography). Jenni was a presenter at the VAPS Convention in Albury, and was very well received by delegates.

We need presenters for 2006. If you are able to present some of your slides or prints, please let one of the committee members know so that we can slot you in to a suitable month. We can help organize your work into a PowerPoint presentation if you would like to present your work that way.

New Member

We would like to welcome Ross Jones to the club. Please make yourself known to Ross so that we can all begin to share our photographic knowledge.

Missing

Somebody mistakenly collected a box of auction goodies belonging to Paul Temple after the October auction. Contents included a number of media cardholders and other goods. Could these please be returned? Please phone on the above number or see me tonight. Thanks.

Calendar

Quantum Printing are after a pic for their 2006 calendar. A number of members submitted prints to be considered for this and the selected print will be announced tonight.

NEW WEB SITE – www.waccfoto.com

Thanks to Kerry and Leighton Weymouth of Lan Mine, we now have a new web site with our own domain name. Kerry & Leighton have donated the fee for hosting the web site and also the first year of registration of the domain name.

CSU ART SHOP (Olive street, Albury)

The art shop has a sale on at the moment and has film and photographic paper at very good prices. Please support the art shop as it stocks a variety of photographic materials that other retailers no longer handle. At least pop in and have a look so that you are familiar with the shop and its stock.
