#### OUTINGS and WORKSHOPS:

##### 1. **Inkjet Large Format Negs. & the Gum Bichromate Process, 11<sup>th</sup> & 12<sup>th</sup> November.**

The workshop was attended by 9 WACC & NEGV members and, despite initial computer problems, was quite successful. Results were obtained although further work is usually required for an artwork of greater aesthetics. The presenter, John Pollard, showed a number of interesting, complex works formed using multiple images and coatings of the substrate.

##### 2. **Lake Hume, 6pm 10<sup>th</sup> February 2007**

This outing will be looking at the features of what would usually be at the bottom of the Lake but are now exposed by the drought. Cracked earth, eerie tree stumps, the brilliant setting sun over the remaining water. An earlier arrival may be advisable to allow time to check for the best spot for the sunset. BYO Food. More details in following Optic Nerve.

##### 3. **Beechworth Bus Tour Sunday 18<sup>th</sup> March 9am**

A tour has been organised for the surrounds of the Beechworth area. Cost ~ \$11 each. More details later.
