OUTINGS and WORKSHOPS:

1. Lake Mungo Trip 2008

The club is considering a trip to Lake Mungo in about March next year. Malcolm Godde has done a cost estimation. For a full bus of 12 it

would be ~\$315 each. This includes two nights accommodation, 3 lunches, 2 dinners, 2 breakfasts. This is a great deal so be involved if you can. We can always take two buses!!!!

It is time to get serious. A deposit of \$50 will be required by the October GM. This is necessary so that the bus and accomodation can be booked & held.

2. Matt Cutting Workshop

A mat cutting workshop will be held on Saturday 11th August 2pm - 4pm at the Gateway Information Centre, Lincoln Causeway Wodonga.

This will demonstrate the club mat cutter and other equipment.

We have some off white board, but if you would like to cut a coloured mat, you will need to bring your own mat board.

Presenters for 2007

We have a number of presenters lined-up for 2007, but there are still vacancies so if you are able to present some of your slides or prints please let Brian Paatsch know as he is coordinating presenters.

Albury Show 2007

The Albury Show is rapidly approaching and volunteers will be required for several tasks. These include helping to display the entries, helping to man the exhibition and helping to dismantle the display at the end of the show.

Most importantly, someone will also be required to take over the organisation of the section whilst the APSCON event is running. All of the preparations will have been done, so it will just be a matter of ensuring smooth running of tasks for a short period. Rob Grant will have made all of the necessary preparations to that point.

Entry forms for the Albury Show Photographic Section are available tonight.

Visiting Competition Judges - Accommodation

Accommodation is often required for judges. If you are able to provide a bed for a night to host a judge please see Brian or Charles and add your name to the host list. Your help would be much appreciated.

New Members

We would like to welcome Yee Heng Lim and Patsy & Bill Cleverly to the club. Please introduce yourself and make our newest members welcome.

Record Membership?

Our club now boasts 65 active members as well as 8 inactive life members.

This could well be a record number of members for the club.

With so many new members, it is time to remind everyone that the direction of the club is in the hands of its members. Please let the committee know of any workshops, activities etc. that you would like to have them organise in the future.

If there is anything that you believe can be improved upon, let the committee know.

International Trierenberg Supercircuit, Austria

Kerry Weymouth entered & gained an acceptance in the Special Themes section. Congratulations Kerry

on a great effort.

APSCON Launch

The launch of APSCON 2007 will take place at the Commercial Club on 14th Aug. @ 11.30am.

If you can, please be there to support our involvement in this event.

Mt Carmel Christian School Talk

Mt Carmel Christian School asked the club to give a talk to some of its students on basic photography. This took place on Monday 30th July and could potentially be an annual (or more often) event.

They have encouraged their students to enter the local shows and thought outside advice would be helpful. There could be other contact in the future such as helping with field trips.

The committee thought that helping in this way would promote photography and the club throughout the community.

Attendance Book.

Please sign the attendance book for insurance purposes.

Club Polo Shirts

There are spare club shirts available, so see Carmen or Kerry if you would like to buy one. Price \$26.
