NEGV Meeting July 7 - Wodonga-Albury CC

The NEGV meeting at the Panthers was an interesting one with a couple of presentations along with the competition. Sharon Alston and David Willis were successful in winning sections of the competition. Congratulations to all who entered.

Thank you to David Woolcock and Lin Richards for their presentations and the Panthers Sports Club for the venue.

David's water drop photography was an experimental session on varying parameters to obtain "crowns", and "frozen" droplets using a strobe light to stop the motion.

Lin's presentation covered many of the basic principles of photography, things that we all need reminders of from time to time.

WACC & Benalla CCs @ Chiltern

WACC members were invited to attend the Chiltern outing of the Benalla CC a couple of weeks ago. A number of our members attended and had a great time taking pictures along with our Benalla counterparts. The morning was cool but bright, and many good pics and stories were shared. Lunch was enjoyable, but the shopping in the arvo was not so good as the shop keepers decided to close early!!!
Strange place!!!
