### President's Message:

Earlier this year members were presented with a survey, (thanks to Jan Bell), to complete on personal and club matters.

A percentage of completed forms were received and unlike some surveys all the supplied information / suggestions were analysed.

As a result of this information we have and continue to endeavour to vary the format of our meeting agendas.

During the coming months / year a number of club outings / events are being planned or have already been organised for members participation.

It is now up to members to keep an eye on the Diary, (per monthly newsletter), and record these events in your personal diary, smart phone or even on the fridge door.

President Brian

## Member of the Month

### Pam Milliken

#### What was/is your profession?

I was a pharmacist and also worked in IT for a decade in between. I am now retired, thank goodness.

#### What was it that encouraged you to join the WACC?

I wanted to improve my photography and join a new group to extend my friendships. I felt I needed to challenge myself!

#### What is it about photography that you love?

I love capturing the moment. I love scenery including architecture but I am often disappointed because the camera can't always do justice to what you see, although I have taken on that you *HAVE* to do post-processing (which I must admit I felt was cheating somewhat, but I am getting over that).

#### What camera/lens do you use?

I have an Olympus OM-D E-M10 Mark II with a "pancake" (14-42) lens, macro, wide angle and a 40 - 150 lens (steadily "using the plastic" at Foto Supplies, but will stop now).

#### What do you like to shoot?

Anything that takes my fancy really - and I enjoy the monthly competitions as they make me think and force me to do stuff I might not always choose to do.

## CREATORS PHOTOGRAPHY FESTIVAL 2019

WACC member Paul Temple, in conjunction with Creators Art Space, is convening a Photography Festival to celebrate the **180<sup>th</sup> anniversary of the birth of photography.**

The festival will incorporate three exhibitions and a number of practical workshops over a period of 7 weeks from **18<sup>th</sup> September until 4<sup>th</sup> November.**

The middle exhibition will consist of photographs produced using Alternative / Traditional photographic processes. This will be from 2<sup>nd</sup> - 20<sup>th</sup> October and will feature photographers Rob Elliot, Rachel Pringle, Eric Saros and Paul Temple.

**Expressions of interest** are being sought for the 2 weeks before the middle exhibition, 18<sup>th</sup> - 29<sup>th</sup> September and the two weeks following, 23<sup>rd</sup> October - 4<sup>th</sup> November. These can consist of digital images, there are no restrictions.

The exhibitions can be solo or groups of participants.

For two weeks the gallery hire is \$200. Add to that some flyers, invites etc and total cost should be around \$300.

Paul will be happy to assist with organising and hanging both exhibitions and help participants through the whole process if needed.

Contact Paul on 0401 950 273 or [camerart@yahoo.co.uk](mailto:camerart@yahoo.co.uk) ASAP so that we can start promoting the Festival fully.
