CLUB INFORMATION

General Meetings: Entries from monthly competitions are viewed along with judge's comments and scores. A member, guest or visiting judge may give a print or electronic presentation on any theme. Members are given time to socialise, view competition prints and share knowledge and expertise.

Club Competitions: One of the best ways to develop as a photographer is to participate in competitions. By entering in competitions you can compare your efforts against fellow members to sharpen your skills and learn how to take better pictures. With that objective in mind, our Club runs monthly competitions which are presented at club meetings with judge's comments. Experiencing other photographer's work and judge's comments will inspire and challenge you.

Members participate in competitions organised by the Victorian Association of Photographic Societies (VAPS). Members are also encouraged to enter other competitions promoted through the club.

Workshop/Outings: Based on requests of members, workshops and outings are organised for members to enjoy and socialise, learn from visiting tutors and other experienced members.

Annual General Meeting: Is held at 7:30pm prior to the November general meeting.
